

Jordan Basketball Association

Player Liability Waiver

My child _____ has permission to participate with the JBA teams with the understanding that the JBA organization, the JBA coaches, or the Jordan School District, will not be liable for any injuries that may occur at tournaments, games or practices or other JBA events.

Parent/Guardian Signature _____ Date _____

JBA Premise: The purpose of developing a JBA traveling team is to create playing opportunities that go beyond the Community Education Program. Athletes that tryout for a traveling team should do so knowing that winning games is a primary objective of the team. Ideally, the athletes will find themselves in highly competitive situations. There is no guarantee of playing time and there is no promise of equal play at this level.

I have read and understand the JBA Premise.
